

# IRAQ - WFP VAM 2007

## Not connected to general water network

The color of each district indicates the percentage of households who are not connected to the general water network.

The size of the dot indicates the number of people that are not connected to the general water network.

The WFP VAM 2007 survey covered 115 districts and 25,875 rural and urban households in the 18 governorates of Iraq.
